Denna text är skriven av
jag och är ett arrangemang av
den text som Hamsun sänt
jag tycker tillsammans med Ha-
ns tidigare två är väldigt svår
att översätta på ett bra sätt
på svenska, men jag tycker
att den är väldigt fin.

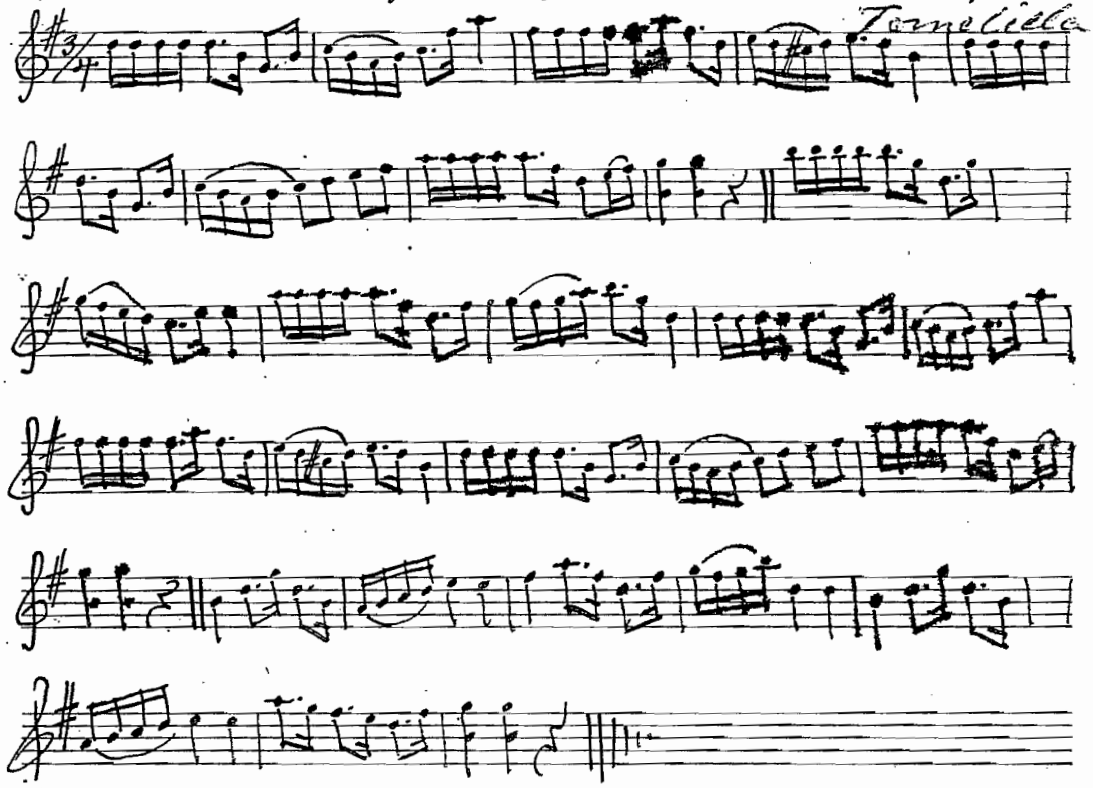

Vi kommer att ha den som avsluta-
nde melodi till Hamsunspektakel.
Annars får vi väl se om vi kommer på
någonting. — Jag tänkte att
fråga på den efter att jag skrivit
färdigt på den för idag!
Ha det bra

Denna sedeln skall, enligt vad
jag erfor vid ankomsten till staden,
ha tillkommit av Hänsyn, som
jag tycktes tillbörligen vara Hr
van likasom till erkännelse (som man så gärna) bland
tycktes, men dröjde att tydligare
giva den.

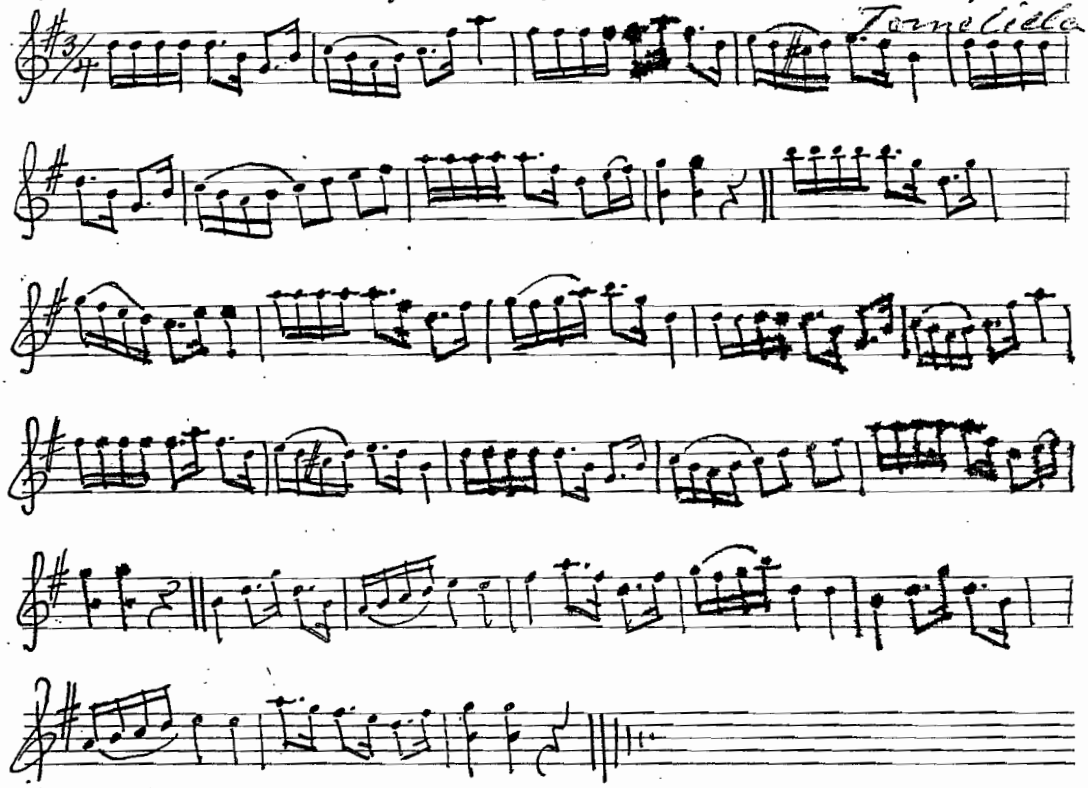

Vi hamnade sedan kring denna origi-
nella melodi till Fältmarskalkens
honnörs för Hr där som version av
Dendermonde. — Jag tycker att
första är den efter att jag skrivit
fullständigt så den får följas!
Det tycktes dåligt
